EXAMINER INTERVIEW SUMMARY

Commissioner for Patents
U.S. Patent and Trademark Office
Customer Service Window, Mail Stop _____
Randolph Building
401 Dulany Street
Alexandria VA 22314

Sir:

On January 16, 2005 an interview was conducted between Applicant's undersigned representative and Examiner Ho. This paper constitutes a record of the above-noted interview and is intended to supplement the interview summary mailed by the Examiner as an attachment to the Notice of Allowance mailed on February 11, 2005.

The above-noted interview was initiated by Examiner Ho who indicated that the claims were in condition for allowance but that some of the claims did not contain adequate spacing between words. In particular, the Examiner indicated it was not thus clear where one word ended and the second word began.

Accordingly, in view of the Examiner's comments, Applicant submitted to Examiner Ho, by facsimile, a copy of the claims in the present application. Applicant

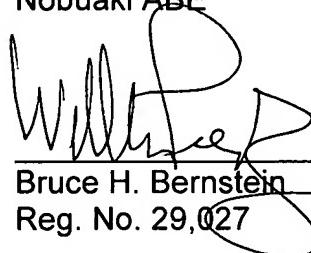

P21595.A02

The Examiner is further thanked for his courtesy and cooperation during the above-noted interview and for his diligence and attention to detail in reviewing the present application prior to allowing the same.

Should the Examiner have any questions or comments regarding this paper, or the present application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Nobuaki ABE
